## President's Message

Dear Valley Quilters

Our new year is underway and I think we are off to a good start. I have a lot of new members working in various positions, and long time members in new positions. With new ideas and hard work, I know it will be a great year!

The first thing is our quilting Retreat. We have 25 ladies going this year. I know it will be a lot of fun as it has been in the past. When we get back I'm sure you will be hearing about all the stories and laughter that went on. Then you will be thinking, "I should have gone too". Next year, you will be first to sign up. I just know it!

Next, we have the bus trip to the Glendale Quilt Show. I sure hope you got signed up, so the bus doesn't leave without you. Ladies, if we don't all get involved in these fun things, then we won't be able to offer them in the future. Who cares where the bus is going. Just get on with your friends and go! Its quilting, lunch, and networking with each other. It doesn't get any better! FUN!

Starting in March, we have a great Challenge and the Block of the Month project this year. Shirley Mykris is doing the Challenge called "Storm at Sea" and Linda Wayment will be doing Block of the Month pattern each month. Can't wait to see how both of these projects look when there done.

Last years, Block of the Month project with Edna Hornkohl's will need to be completed for show and tell at the April guild meeting. At that time, she will be drawing the winner's name.

Just remember ladies, a quilt is not a quilt till it's quilted.

Every day is a good day, if we are quilting.

**Mary**

Our next "Sew-in" is March 30, 2020

#### What is a Sew-in?

A Sew-in is a get together of our Hemet Valley quilters where security quilts are sewn and tied. With lots of help, quilters cut, iron, sew and tie between 15 and 20 security quilts in a morning,

Since each member is requested to make 2 security quilts a year, this is a great way to meet that goal. Also, you'll fill the need of the community and get to know your fellow quilters.

Please join us Monday, March 30<sup>th</sup> from 9:00 am to 12:00 pm at Valley Wide.

Hope to see you there!

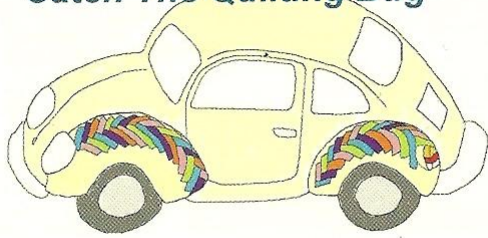

Kathleen Jones and Natasha Macias

Don't miss this great opportunity to purchase Landscape Fabric with the webbing already ironed on the back. Be sure to bring your pattern or photo idea and Phyllis will help you select the fabric. She will also, give handy tips on pattern selection and how to use the Landscape fabric. This is not an actual class, but a chance to accumulate the needed fabrics. If you have any questions, Please contact Phyllis Binkley at [phyllisbinkley@yahoo.com](mailto:phyllisbinkley@yahoo.com) or 951-306-8029.

Signup sheet will be out at our March meeting.

A \$5 fee is required at time of sign up or at least the month before the scheduled mini workshop. It will be returned to you at the workshop if you attend.
