President's Message

Wow, it is hard to think that April has come and gone. This year is flying by way too fast. I was able to go visit family in Utah a couple of weeks ago. It was good to see everyone up there and have time to visit, even if I did have to help my daughter and her family move into their new home. Moving is never fun!

We finally have quilt show leaders, a big thank you to Grace Ward and Kathy Ray. They are already busy planning fun things for our show so hopefully everyone is working on a quilt to enter in the show.

Quote of the Month: You will break your last sewing machine needle at midnight the night before your quilt is to be turned in for the guild quilt show.

Keep Quilting

Door Prizes

Suzanne Wade

You may notice I won't be there - - side-tracked by surgeries, however, the Quirky Quilters Friendship Group to the rescue. They will be picking up the tickets, prizes, etc. We need to keep the momentum going for a few more months - based on the last balance during the treasurer's report, I think we're back to being on solid ground, but you know, there's always room for more and the opportunity for good speakers and lessons. So please bring your wonderful birthday presents so we may share your treasures while adding to the Guild's coffers. I thank you all for your continued support in the Door Prizes and ask **PLEASE, PLEASE** that the **birthday people** get there early so your treasure can get more tickets in the bucket!!!

Also, I wanted to share with everyone what the Quirky Quilters made for me and brought to the hospital for me to hang on my hook. Some of the nurses and doctors enjoyed the humor, others it took a beat, one even said, "but I'm not a GI doctor" and he's the one that took out the infected fall bladder.

Block of the Month

Edna Hornkohl

Looking forward to seeing your Aloha Sam or Sue or both. Bring your finished square to get your name in the drawing.
