### President's Message

I hope everyone is able to stay cool, I think we are going to have a long summer. This is a good time to read a book or start that new quilt you have been wanting to do and sit in the air conditioning. That is what I am going to be doing a lot of. We are having a vendor, *Between Stitches*, at our June meeting so remember to bring your quilt money and have fun looking and you do not even have to drive to Temecula. We are also having Quilters by the Sea come to show us their philanthropic quilt.

The new quilt show racks and drapes have been ordered, we already have the drapes and are waiting for the carts and pipes. This hopefully will make setting up the show easier for everyone, especially the husbands and men that have done the work before. A big thank you to Grace Ward and Kathy Ray for all the work they have put into this project. The mobile units have been closed while Valley Wide repairs the roof, but they should be finished now so we are back in business with our security quilts. This would be a great way to spend Monday morning and get to know others in the guild.

Quote of the month: That fabric you need more of to complete the quilt you are working on was discontinued last month.

Have a fun safe summer

Linda

### 2023 Quilt Show

Grace Ward and Kathy Ray

We started with requesting our members for quilt show committee chairs. We still need someone to volunteer to organize the decorations for the quilt show. The drapes have arrived and we will be sewing the buttons on the 10 x 10's to identify them from the 10 x 8's. As you have heard many times, it takes a village to raise a child, it also takes the determined hearts of our quilters to participate to help make our quilt show successful. We need each and every person to volunteer in many places.

Thank you for your help in advance.

Grace Ward and Kathy Ray

## Trips

Nancy Alaksin

51 days before we board the bus to Long Beach Quilt Festival!

As of this morning I have heard from all the non-responders except Henrietta Domer. According to my last email June 14 is the deadline to contact me. So, I will be moving someone from the waiting list, to ensure a full bus.

This is a hard choice for me to make. I know we all want to go on the bus. I have to snail mail the form to Houston for the entry tickets. Then wait for them to process the order and snail mail back to me. The bus trip has already been charged to the Guild. I can't wait till the last minute..

I am sorry, for any inconvenience my decisions have caused anyone.

See you on the bus

Nancy

## Security Quilts and Pillow Cases

At our last sew-in we made several Security Quilt kits ready to be sewn.

**2024 Opportunity Quilt**  
Kathy Barbary

It is time to start making our Opportunity Quilt for 2024. My plan this time is for everyone in the guild to have a chance to make a block for the quilt. I have chosen Boho Heart by Jen Kingwell and Andrea Bair. It has over 100 different size sample blocks that make up the quilt. Come by the table at our next meeting and get a pattern for 1-2-3 or whatever number of blocks!! It should be a fun quilt for everyone to participate in!

### Mini Quilt Raffle

Kathy Barbay

I hope everyone has been enjoying the monthly mini quilt raffle! The quilts have been so adorbal and greatly prized! I would like to ask for more people to sign-up to make monthly quilts. Please give me a call and I will sign you up for a future month! Thanks in advance for your donation!

### Door Prizes

Suzanne Wade

June Gloom? Yep, we're forgetting to share what we won in our Birthday Treasure - I don't know what precious treasures we have been sharing with each other, and perhaps the rest of you don't either. So, either we go back to waiting until all the presents are opened (in which case, please hurry up), or we wait until the end and the winners stand up with their prizes. Some birthday things are practical, some are awesome and whimsical, but we don't know what they are, so let's try again to see the treasures we've been receiving. Oh, and we'll have a vendor at the meeting, so, HURRY UP and get there with your birthday bag, and with your shopping mind/list and money.

### 4H Girls

Sue Lueschen

The Valley Quilt Guild was asked to show the 4H girls a sewing machine project April 23<sup>rd</sup> and again on Jun 10<sup>th</sup>. It was held in Hemet, but clubs attended from Murrieta and surrounding cities. They exposed all age groups of boys and girls to many things like art, craft, sewing, cooking, photography, etc. I walked them through, by way of a place mat, practicing the 1/4" seams. Using the technique of turning it rather than a binding.

It was a great experience and they asked me to show them how to do the pillow cases and security quilts the next time. I was so excited to let others know what the guild does.
