### President's Message

Happy Thanksgiving to everyone! Hope you have a wonderful time with family and friends. Our weather really makes it seem like the holidays. Also, I hope everyone stays healthy. There is so much going around right now. My grandchildren have all had the cold and fever, so they were very nice and shared with me. I am finally getting over it. It is not a fun bug to have. This is a good time to stay home, curl up with a good book, a blanket and enjoy the day.

Our speaker, Sandy Corbin, was really interesting, her quilts were beautiful. It would take me a long time to finish one of her designs. This month Mary is going to teach us all about hanging a quilt and how to fill out the application for the quilt show. This is something we seem to forget or overlook when putting our quilts in the show. Our quilt show committee has been working really hard all year making sure everything is ready for the big day.

Words of wisdom: No matter how much of a particular fabric you have for the quilt you want to make; you will always be half a yard short.

Have a wonderful Thanksgiving

Linda
